Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "notices" free any more than a merchant can lose over his counter free gifts of dry goods or shoes. A newspaper is a legitimate business concern. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

#### FAIR NOTES.

Some of the Attractions The Maysville Fair Offers to Patrons.

Mr. Harry C. Curran, Superintendent of the Floral Hall, will be on the grounds Tuesday morning at 8:30 for the purpose of receiving goods for the Floral Hall. Patrons will bear in mind and be prompt that everything may be in order and no delay occasioned.

A fact which cannot be too often emphasized relates to the admission fee. Remember town people and friends outside that the nominal cost of 25 cents admits you absolutely, no extra charge for grand-stand seats. Now we hope this emphatic statement will dispense any dubiousness, and that any past experience to the contrary may not be a judgment of the future.

The Maysville Fair Company advertises special mixed races for each afternoon during the four days Fair, September 23d to 26th. There are no prizes and no entry fees, simply a premium of \$25 for the horse coming under the wire first. These races will take on the color of fun rather than reveal any quality as to speed, therefore the attention of farmers who have fast horseflesh is called to these special races. On Wednesday, Adams and Brown county, O., their horses only will be allowed to compete for \$25 premium offered for fast roadsters, owner to drive horses having no record. Either pace or trot can enter, and the races will be run at 2:30 o'clock each day. Second day, Thursday, Fleming and Bracken county will compete, the same rules governing. Third day, Friday, Mason and Robertson animals. The fourth day, Saturday, all counties are allowed to enter, it being a free-for-all. In each race the prize is \$25 to the speediest animal. Further particulars as to these country roadster green races will be given through the press. Now begin training your animal and come prepared to have some fun.

### KICKERS' CORNER

If any one at any time for any reason has any cause to "kick" in any way at anything of any kind, here's the place to say his say. The door is open—walk right in and help yourself, free gratis and for nothing;—but don't make your "kicks" too long—it's the short, quick fellows that count—and out. The name of the kicker must accompany the kick, or it'll be kicked into the waste-basket.

"The worm will turn."

The bulldozing methods of our City Council has caused the C. and O. to decline running excursion trains to Maysville during Fair week at rates given Ripley, Manchester and other nearby places.

A petition is now in circulation, being signed by merchants and business men, asking President Ingalls to intercede, and saying that the present City Council does not represent the sense of our citizens—or any other sense for that matter.

#### ONE OF TWO WAYS.

The bladder was created for one purpose, namely, a receptacle for the urine, and as such it is not liable to any form of disease except by one of two ways. The first way is from imperfect action of the kidneys. The second way is from careless local treatment of other diseases.

#### CHIEF CAUSE.

Unhealthy urine from unhealthy kidneys is the chief cause of bladder troubles. So the womb, like the bladder, was created for one purpose, and if not doctored too much is not liable to weakness or disease, except in rare cases. It is situated back of and very close to the bladder, therefore any pain, disease or inconvenience manifested in the kidneys, back, bladder or urinary passage is often, by mistake, attributed to female weakness or womb trouble of some sort. The error is easily made and may be as easily avoided. To find out correctly, set your urine aside for twenty-four hours; a sediment or settling indicates kidney or bladder trouble. The mild and the extraordinary effect of Dr. Kilmer's Swamp Root, the great kidney and bladder remedy, is soon realized. If you need a medicine you should have the best. At druggists fifty cents and one dollar. You may have a sample bottle and pamphlet, both sent free by mail. Mention THE PUBLIC LEDGER and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The Proprietor of this paper guarantees the genuineness of this offer.
